Decision

Matter of: Better Service--Reconsideration

File: B-256498.3

Date: February 3, 1996

DECISION

Better Service requests reconsideration of our decision in Better Serv., B-256498, Jan. 9, 1995, 95-1 CPD ¶ ___, in which we denied in part and dismissed in part its protest of the exclusion of its proposal from the competitive range under request for proposals No. FCGR-92-0041-N issued by the General Services Administration.

We deny the request for reconsideration because the request provides no basis for reconsidering our prior decision. Under our Bid Protest Regulations, to obtain reconsideration the requesting party must show that our prior decision may contain either errors of fact or law or present information not previously considered that warrants reversal or modification of our decision. 4 C.F.R. § 21.12(a). The repetition of arguments made during our consideration of the original protest and mere disagreement with our decision do not meet this standard. R.E. Scherrer, Inc.-Recon., B-231101.3, Sept. 21, 1988, 88-2 CPD ¶ 274.

The request for reconsideration is denied.
